

**Preparing Globally
Competitive Citizens
Through Technology:
JAH's One-to-One
Initiative**

Presented by
Sheila Evans,
Principal
Vann Lassiter,
*Instructional
Technologist*

Educational Benefits

- Close the digital divide
- Ensures technology is available at ALL times for EVERYONE
- Improve academic achievement by personalizing learning
- Provide students with access to material 24-7
- Provide relevant & “up-to-date” instruction

Educational Benefits

- Provide opportunities for “real world” experiences
- Ensure students are 21st century ready
- Encourage proper digital citizenship & responsibility
- Foster a community of collaboration & learning among teachers and students

WHAT IS THE COST OF THE INITIATIVE?

Implementation Plan

- **Spring 2012**
 - Meet with Apple to Explore Options
 - Develop a Plan Specific for JAH (*i.e. Create Goals, Develop a Staff Development Plan, Secure Funding, etc.*)
 - Communicate the Plan / Build Support (*i.e. School Improvement Team, BOE, Community Organizations, etc.*)
- **Summer 2012**
 - Provide Teachers with a MacBook Pro & Training (*prior to summer break in June*)
 - Select Teachers to attend Summer Training / Create a "Teacher Tech Team" (*i.e. Intel, Cary Academy, Apple, etc.*)
 - Hire a Technology Facilitator

Implementation Plan

- **Fall 2012**
 - Upgrade Wireless Network / Setup a HELP Desk
 - Continuously Study the Staff Development Plan / Setup PLCs / Provide Teachers with Staff Development (*i.e. Best Practices, Blackboard/Moodle, etc.*)
 - Develop Deployment Plan / Prepare Laptops for Students
 - Explore "Protection Insurance"
 - Develop & Communicate AUP to Teachers, Students, & Parents (*specifically addressing the 1-to-1 program*)
 - Provide Internet Safety Courses for all Students
 - Train a Cohort of Students to serve as "Tech Support"

Implementation Plan

- **Spring 2013**
 - Deploy Laptops to Students (*Laptops are checked-out in January following a parent meeting and returned in June!*)
 - Continue Professional Development for Teachers, Continue Operating the HELP Desk, & Evaluating/Reflecting on the Program
- **Summer 2013**
 - Continue Staff Development
 - Clean and Prepare Student Laptops for Re-Deployment
 - Reflect and Evaluate
