Re: Revision to the 2009-2010 School Calendar

---

It has been recommended by the staff of D. F. Walker and Chowan Middle School to amend the 2009-2010 school calendar to accommodate revisions in the End-of-Grade (EOG) Testing schedule. Early release days are included in the school calendar to facilitate end of year testing. Currently the regular administration of the reading and mathematics EOG Tests are scheduled for May 19-21, 2010. The schools have requested to change those dates to May 24-26, 2010. Therefore, the Board is asked to amend the 2009-2010 school calendar by establishing May 19-21, 2009 as full school days and May 24-26, 2010 as early release days dismissing at 1:30.
