

Policy Code: 4415/5121 TITLE IX NONDISCRIMINATION ON THE BASIS OF SEX

The school system does not discriminate on the basis of sex in its education programs or activities and is required by Title IX of the Education Amendments Act of 1972 and federal regulations to not discriminate in such a manner. This requirement extends to admission and employment. The board will not tolerate discrimination on the basis of sex, including any form of sexual harassment as that term is defined under Title IX, in any program or activity of the school system.

A. Inquiries About Title IX

The board has designated a Title IX coordinator to coordinate its efforts to comply with its responsibilities under Title IX and its implementing regulations. Inquiries about the application of Title IX and its implementing federal regulations may be referred to the Title IX coordinator and/or the Assistant Secretary for Civil Rights in the Office for Civil Rights at the U.S. Department of Education.

The superintendent has appointed and will publish the names, office addresses and phone numbers of individuals to coordinate the school system's efforts to comply with and carry out its responsibilities under federal non-discrimination laws. These responsibilities include investigating any complaints communicated to school officials alleging noncompliance with Title VI or Title IX of the Civil Rights Act, Section 504 of the Rehabilitation Act, the Americans with Disabilities Act (ADA), the Age Discrimination Act, and/or the Boy Scouts Act, or alleging actions which would be prohibited by those laws.

B. Resolution of Grievances

The board has established grievance procedures that provide for the prompt and equitable resolution of complaints alleging discrimination on the basis of sex (other than sexual harassment) in a program or activity of the school system occurring against a person in the United States. Students and parents or guardians may report such alleged discrimination through the process provided in policy 4500, Student and Parent Grievance Procedure. Employees and applicants may use the process provided in policy 5230, Grievance Procedure for Employees.

The board has adopted additional means for reporting sexual harassment specifically. Any person may report alleged sexual harassment in the education program or activities of the school system occurring against a person in the United States in accordance with policy 4406/5122, Title IX Sexual Harassment – Prohibited Conduct and Reporting Process. Those who believe they have been sexually harassed may also file a formal complaint of sexual harassment in accordance with policy 4407/5123, Title IX Sexual Harassment Grievance Process, to initiate a prompt and equitable resolution through a formal investigation and adjudication or through an informal resolution process. The board encourages students, employees, and applicants to first make a report of sexual harassment in accordance with policy 4406/5122 before filing a formal complaint.

C. Retaliation Prohibited

Retaliation against any person for the exercise of rights under Title IX or to interfere with those rights in any way is strictly prohibited and will subject the perpetrator to disciplinary action. The identity of any person who has made a report or complaint of sex discrimination or sexual harassment or who is the alleged perpetrator of sex discrimination or sexual harassment will be confidential unless otherwise required or permitted by law. Complaints alleging retaliation may be filed according to the grievance processes established in policies 4500 and 5230. Acts of retaliation may also be subject to policy 1360, Prohibition Against Retaliation.

D. Notice of the Board's Policy of Nondiscrimination Based on Sex

The superintendent is responsible for providing notice of the board's nondiscrimination policy to students and their parents or legal guardians, employees, and applicants for admission or employment. The superintendent

shall also ensure that each principal or site supervisor makes a copy of this policy available to those persons. In addition, the following must be posted on the school system website and included in all student and employee handbooks: (1) a statement of the board's policy of nondiscrimination on the basis of sex; (2) contact information for the Title IX coordinator; and (3) a statement that Title IX inquiries may be referred to the Title IX coordinator or to the Assistant Secretary for Civil Rights.
