

Strategic Plan(draft)

"...committed to the preparation of all students as critical thinkers and productive citizens."

Edenton-Chowan Public Schools

VISION 2021

Enhancement Goals With a Focus on the Whole Child and Equity

EVERY . SINGLE . ONE

1

Eliminate Opportunity Gaps:

Provide access to rich academic environments for all by addressing social/emotional barriers

Improve School/District Performance:

Provide multi-tiered, personalized learning experiences in a student-centered, dynamic environment

2

Increase Educator Preparedness:

Provide teacher advancement pathways

3

1

Operationalize 4 "Safe" schools by implementing well-being programs with a comprehensive social and emotional learning curriculum to maximize instructional impact

• Tier 1

-Implement social and emotional learning program with mindfulness and resiliency strategies as part of the Healthy Living curriculum

• Tier 2

-Increase mental health support to create trauma-sensitive spaces

• Tier 3

-Collaborate with external partners to align resources to support the needs of at-risk learners

2

Raise school performance grades yearly, meet long-term proficiency goals for each subgroup annually, sustain >90% graduation rate, increase postsecondary options

• Tier 1

-Design tightly aligned curricular plans with a focus on rigorous, vertical articulation and high quality assessments

• Tier 2

-Design and implement targeted, data-driven intervention blocks with progress-monitoring

• Tier 3

-Provide differentiated, accelerated and supportive learning opportunities

3

Ignite teacher growth with a professional learning system designed to grow innovation and digital capacity while increasing teacher retention, recruitment and teacher effectiveness

• Tier 1

-Design a coaching model (Planning, Pedagogy, Problem-Solving) for instructional excellence and implement through Learning Walks

• Tier 2

-Design comprehensive, choice-driven professional learning pathways

• Tier 3

-Share PL internally and/or externally
