Dear Members of the Edenton-Chowan Schools Board of Education:

Jean Bunch

The current Board of Education (BOE) Meeting Schedule includes back-to-back meetings on January 26, 2014 and February 2, 2014. It also contains three meetings in a five week period (March 2, 2015; March 16, 2015; and March 30, 2015).

Gil Burroughs

Glorious Elliott

In an effort to maximize the effectiveness of scheduled meetings and ensure that school system staff members are able to be fully prepared for each meeting, I propose changing the dates of two meetings:

Gene Jordan

- 1) Move the February BOE Meeting from February 2nd to February 9th;
- 2) Move the March Quarterly Meeting from March 16th to April 20th.

Rob Jackson
Superintendent

Should the Board approve these changes to meeting dates, we will advertise the date changes as required.

Sincerely,

Rob Jackson, Ed.S.
Superintendent
