STATEMENT OF BELIEFS

At White Oak Elementary School we believe ...

- All students are unique.
- All students can learn.
- All students learn best in an environment conducive to active learning and problem solving.
- Every person deserves to be treated with dignity and respect.
- Every person has the right to work and learn in a safe and supportive environment.
- Parent, Teacher, and Community involvement is vital to the success of our students.
- We must work together to prepare well-rounded and productive citizens for the 21st century.

VISION

White Oak Elementary School strives to become a school of excellence that provides a stimulating environment to enable all students to become independent, life-long learners.

MISSION

At White Oak Elementary School, we will work together as a team to foster a love of learning by providing multiple opportunities for success.

INSTRUCTIONAL PROGRAM

White Oak Elementary School believes in research-based best practices to deliver the curriculum and instruction as defined by the state of North Carolina. White Oak Elementary School's balanced literacy program is based upon the big 5 (fluency, phonics, phonemic awareness, comprehension, vocabulary). Along with the core objectives outlined by the state, teachers work to supplement the curriculum with additional resources and objectives that best meet the needs of all our students. The North Carolina K-2 Assessment batteries and PAST (Phonological Awareness Skills Test) are used to assess student performance. The resulting data is used by teacher teams to decide which instructional strategies would be most effective for each student.

White Oak Elementary School uses an integrated curriculum. Core social studies and science objectives are integrated in our reading and math instruction. Core objectives are considered while planning field trips and planning visits from community resource people.

We understand the importance of students using their prior knowledge to form connections with the learning experiences offered. White Oak School provides daily cultural arts classes. We provide a differentiated curriculum to all our students which includes flexible grouping, AIG/Highflyer instruction and intervention instruction in reading and math.

ABSENTEES

Each time a child is absent s/he must return to school with a note indicating the cause of the absence. We are required to indicate whether absences are "excused" or "unexcused". When a note is not received, the absence will be considered "unexcused".

Excused Absences:

The following shall constitute valid excuses for the temporary non-attendance of a child at school provided satisfactory evidence of the excuse is provided to the principal or his/her designee:

- 1. When the absence results from illness or injury which prevents the student from being physically able to attend school. A physician's certification is required for absences resulting from illness or injuries that exceed 4 days.
- 2. When isolation or quarantine of the student is ordered by the local health officer or by the State Board of Health.
- 3. When the absence results from the death of a member of the immediate family of the student. The immediate family of a student includes, but is not necessarily limited to, grandparents, parents, and siblings.
- 4. When the absence results from a medical or dental appointment of a student. A written excuse should be presented.
- 5. When the student is a party to or under subpoena as a witness in the proceedings of a court or administrative tribunal.
- 6. When the student or the student's parent/guardian or custodian adheres to a religion whose tenets require or suggest the observance of a religious event. The parent/guardian or custodian must seek prior approval of the principal for such absences and the approval should be granted unless the religious observance or the cumulative effect of religious observances is of such duration as to interfere with the education of the student. Written evidence from church authorities may also be required for absences due to religious observance.
- 7. When the student is absent due to a valid educational opportunity. An Attendance Prior Approval for Travel must be completed two weeks prior to the absence. In order to be approved as an excused absence, the student will be expected to give a presentation about the trip to his/her class upon their return. The form can be obtained from your child's classroom teacher.

ADDRESS CHANGES

In case of a permanent address change, bus assignments cannot be changed until proof of address is provided to the office. Proof of address may be in the form of an utility bill (i.e., electric, water bill) or a copy of the lease agreement. A weekly written note must be provided until proof of address is provided. Also, if your phone number changes, please send in a note or call the office to update your phone number in case of emergency, instant-messaging system, etc.

ARRIVAL AND DISMISSAL

Buses will begin unloading students at school at 7:45. They will unload in small groups and students will be supervised at all times.

Students being transported by car should arrive at school no earlier than 7:45.

Students are dismissed at 2:55. The classroom teacher will walk the students to the bus and bus drivers will supervise them until all PreK-5 children have boarded. Buses will begin leaving the campus at 3:10.

Students being transported home by car will gather in the cafeteria, and parents should go to the multi-purpose room to sign them out. If the child has not been picked up by 3:10, the parent will be notified. After the third incident the principal and/or designee may meet with the student and parent, guardian or custodian to determine if a "Good Faith" effort has been made to make appropriate arrangements for the child. If it is determined that the parent, guardian or custodian has not made an effort to provide appropriate arrangements, the principal and/or designee may notify the Sheriff's Department.

A child will be allowed to leave school only by permission of the person(s) with whom the child resides. If a dismissal change (bus or pickup) is to be made, a written note from the parent or guardian is required. For safety reasons, phone calls to make pick-up changes will <u>not</u> be accepted.

ATTENDANCE

There is a direct relationship between school attendance and learning progress. It is very important that each child, grades Pre-K to Second, attend school regularly. Referrals will be made to the Chowan County Judicial Attendance Council for parents of children in violation of North Carolina Compulsory Education Law.

BUS STOP SAFETY

It is our responsibility to provide safe transportation for your child to and from school. To ensure the safety of your child, parents or designated adults need to be at the child's afternoon stop. Children will be transported to either the Transportation Dept. (Bus Garage) or White Oak if the adult is not there. Children may not stay longer than five minutes at the Bus Garage for parent to pick up; after five minutes the child(ren) will be brought back to White Oak School. The parent must then come to White Oak to pick up their child(ren). After two such incidents, bus transportation privileges may be denied for a period to be determined by the administration. If the designated adults continue to fail to be at the child's afternoon stop, the principal and/or designee will notify the Sheriff's Department and/or the Department of Social Services.

CLASSROOM CELEBRATIONS AND SNACKS

Celebrations of holidays, birthdays, special events, and accomplishments will be coordinated by your child's teacher. Parents should notify the teacher a minimum of three days prior to request a classroom celebration/party. White Oak School encourages healthy food choices. Parents are encouraged to provide healthy food options for their child. Snack time in the classroom is determined by your child's teacher

with consideration to their lunch and daily schedule. Some food items may be discouraged in the classroom related to student food allergies. Homemade food and drinks cannot be distributed to students. Teachers will have resources available to help plan classroom celebrations. By law, no food or beverages can be provided or sold to a group of students until after last meal has been served in cafeteria.

"CUBBIE" System SCHOOL AND BUS BEHAVIOR EXPECTATIONS

White Oak School is implementing a research based program called 'Positive Behavior Intervention and Support' (PBIS). Our program is based on our school mascot "CUBBIE"—Caught U Behaving Because It's Expected.

The major objective of PBIS is to strengthen the climate of the school in a way that makes the learning environment a safe, fun place to be, while offering positive rewards for that improved climate. To achieve this objective, the staff members at White Oak have developed a systematic approach that establishes and reinforces clear behavioral expectations in school and on the bus. Our goal is to teach appropriate behaviors, to recognize and reward appropriate behaviors, and to consistently address misbehaviors.

In addition to the "CUBBIE" System, White Oak School recognizes the need to teach the entire school community how to be "<u>Peacemakers</u>". If you are a "Peacemaker" at White Oak School, you do your very best to make the right choices in any situation that you are in.

Log on to http://ecps.wos.schoolfusion.us/ click on Departments, go to Positive Behavior Intervention and Support for announcements, monthly award recipients, and to get a full description of the program.

NOTIFICATIONS

The Family Educational Rights and Privacy Act (FERPA) requires that Edenton-Chowan Schools, with certain exceptions, obtain parent/guardian written consent prior to the disclosure of personally identifiable information from the child's educational records. However, Edenton-Chowan Schools may disclose appropriately designated "directory information" such as Honor Roll or other recognition lists; sports information such as weight and height information; or other similar information not considered harmful or an invasion of privacy, without written consent. The school system also is required by the No Child Left Behind Act to provide student names, addresses and phone numbers to military and college recruiters who request them unless the parent/guardian has advised the school to the contrary. If you do not want your child's directory information disclosed, you must inform the school system of your wishes in writing by September 2, 2011.

The Protection of Pupil Rights Amendment (PPRA) gives parents, legal guardians, and emancipated minors certain rights pertaining to the conduction of surveys, collection and use of information for marketing purposes, and certain physical examinations. These include the right to:

- Consent before students are required to submit to U.S. Department of Education funded surveys;
- Receive notice of, and an opportunity to opt out of a protected information survey (regardless of funding);
- Receive notice of, and opt out of invasive non-emergency physical exams or screenings;
- Receive notice of, and opt out of activities involving the collection, disclosure, or use of students' personal information for marketing or to sell or otherwise distribute to others;

This policy is located in the Edenton-Chowan Schools Policy Manual, which may be obtained from the principal's office or the office of the Superintendent. A copy of the Policy Manual also is available on the school system's website at http://ecps.schoolfusion.us/. Policy 4500 does not apply in the case of long-term suspensions or expulsions, which is covered by Policy 4220; in questions of Due Process, which is covered in Policy 4400; or in the case of alleged sexual harassment, which is covered in Policies 4400 and 5130.

PARENT-TEACHER CONFERENCES

Parent-teacher conferences are scheduled throughout the school year. Please see calendar for these system-wide conference dates. Face-to-face conferences allow for the teacher to share work samples that depict the level of a child's performance. To allow more parent participation, flexible times will be offered throughout the year. Parents with questions or concerns are encouraged to ask for a conference at any time during the year.

PERMISSION TO CHANGE BUS ASSIGNMENT

During any given day, we process over 40 bus change requests. To ensure that your child is transported to and from the correct location, the only information used by the school to determine what bus is your child's permanent assignment is your physical address. In case of a permanent address change, bus assignments cannot be changed until proof of address is provided to the office. Proof of address may be in the form of an utility bill (i.e., electric, water bill) or a copy of the lease agreement. A weekly written note must be provided until proof of address is provided. Also, if your phone number changes, please send in a note or call the office to update your phone number in case of emergency, instant-messaging system, etc.

It may be necessary for your child to be picked up and/or dropped off at a daycare facility. A written note from the parent or guardian must be submitted to the office requesting a change of bus assignment. This will become your child's permanent bus assignment.

Students wishing to ride another bus, or needing to get off at another bus stop on the regular bus, must submit a note, signed by parents/guardians, to their teacher <u>by 8:30 a.m.</u> Because of limited capacity on buses, we ask that parents only make a request for their children to ride another bus in <u>EMERGENCY</u> situations. <u>Please make requests for a bus change for your child by 8:30 a.m. Some buses run at capacity, therefore, requests to ride those buses may not be honored.</u> For safety reasons, phone calls to make bus changes will <u>not</u> be accepted.

PERSONAL ITEMS

Each year large numbers of personal clothing, jackets, coats, etc. are misplaced. Personal items should be labeled with the student's name, address and telephone number. This should ensure return of articles which are lost during school hours. Twice yearly, clothing will be donated to an outside agency.

SCHOOL ATTIRE

Elementary school children should come to school dressed in clean, comfortable clothing which allows them to participate in the many types of activities that occur during the elementary school day. All clothing should fit the child properly so that it does not interfere with required school activities. All pants, slacks, jeans, skirts, and shorts shall remain at the top of the waist. At no time should any undergarments be visible. Students need to wear shoes designed for running and playing and held securely in place. Nothing is to be worn on the head in the school buildings unless there is a special activity or need.

SCHOOL COUNSELING

A state licensed school counselor is available at White Oak Elementary for all students, teachers, and parents. The counselor's role is to help students have a successful school career through a program of services aimed at helping them learn and develop to their greatest potential. The counselor adheres to the professional and ethical standards and practices of the school counseling profession.

The American School Counseling Association (ASCA) model is used to ensure a comprehensive school counseling program. The school counselor has a website off of the school website to keep parents informed of activities that will occur at school through the school counseling program.

The school counselor may provide helpful information regarding community resources as well as student and/or family referrals to community agencies as necessary. She/He is available to interpret and discuss standardize testing and student records. She/He works closely with the principal and assistant principal in identifying and resolving student issues, needs, and problems.

SCHOOL HEALTH

Your child's health is important to us. Please notify the school nurse of any medical problems or changes in health that your child has. We will work with you and your physician to adjust your child's school program according to his/her health needs.

<u>Medications at School</u>: Over the counter and prescription medications will only be administered at school by a doctor's order. The parent is responsible for submitting a properly completed and signed medication authorization form to the school nurse. Medication forms can be picked up at your child's school or sent home with your child. All medications must be received in their original container. Please call or see your School Health Nurse for Edenton-Chowan Schools medication policy and procedure.

Meningococcal Meningitis Vaccine, Flu Vaccine, Hepatitis B Vaccine, HPV

Vaccine: These vaccines are recommended by the CDC (Centers for Disease Control and Prevention) and available through health care providers. Parents are encouraged to talk with their child's physician or local health department for more information on getting their child vaccinated. Please see your physician for a copy of this information or visit www.immunizenc.com or www.cdc.gov.

Immunizations: North Carolina State Law requires that all children enrolling in school must have a copy of their immunization record on file at the school and the student must be up to date on all required immunizations. Parents have 30 calendar days from the date of enrollment or the first day of school to have immunizations completed and a copy of the record brought to the school. Students will be suspended from school if these requirements are not met within the 30 days. Students enrolling in Kindergarten must also have a health assessment (physical) done within the last year and a copy on file at school. For more information, please see your health care provider or visit www.immunizenc.com or www.cdc.gov.

NC Diabetes Legislation and NC Asthma & Allergy Legislation: North Carolina law requires the development and implementation of individual care plans for students with diabetes, asthma and those subject to anaphylactic reactions in NC Public Schools. If your child has diabetes, asthma, food allergies, insect allergies, or is subject to anaphylactic reactions, please contact the school nurse. Please visit www.ncdiabetes.org and www.foodallergy.org for more information.

SCHOOL HEALTH SERVICES POLICY

Teachers are requested to report to the office any known school-related injury to a child. First aid treatment for minor injuries will be provided by staff trained as first responders. If a child is injured seriously enough to require professional medical attention, the parents/guardians will immediately be contacted. If the injury warrants immediate action, the Edenton-Chowan Rescue Squad will be contacted and the child will be transported to Chowan Hospital. *No services can be rendered by Chowan Hospital Emergency Room without parental permission written and on file.*

SCHOOL VISITORS

White Oak School is proud of its facilities, staff and surroundings. Our doors are always open, and we welcome your visit. All school and classroom visitors must report immediately to the office and will be given a visitor's tag. The tag should be worn at all times during your visit. While parents are welcome, the concern of the school is to provide a safe, orderly and inviting learning environment in which disruptions to instructional time are minimized. Unexpected visitors disrupt the class by distracting teachers and children from their work. Arrangements should be made in advance with the teacher and principal to visit classrooms.

Please remember ...

- All visitors are required to sign in and out at the office.
- Classroom visitations or observations should be scheduled with the teacher and principal. Parents must follow professional standards concerning confidentiality of individual student information obtained while observing.
- Arrival and dismissal times are not appropriate times for parent/teacher conferences.
- Any individual who disrupts the educational environment may be requested to leave.
- To encourage student independence and to foster safety, parents are to drop their child(ren) off at school and allow them to walk to class on their own. This will also allow class instruction to begin promptly at 8:30, according to our new class schedule.

TARDINESS AND EARLY PICK-UP

Parents or guardians <u>must</u> bring any student who arrives at school after 8:15 a.m. to the office and sign the student in. Many times important information and instructions are provided at the beginning of the day. Every effort should be made to be at school on time. Parents of children with excessive tardiness or excessive early pick-up may be referred to the Chowan County Judicial Attendance Council.

After three (3) tardies in a month, the student's parent/guardian may be required to conference with administration.

Parents/Guardians are highly encouraged to allow students to stay in class until 2:55 daily in order to maximize instructional time. Please do not plan to pick your child up early on a routine basis. Excessive early pick-up may require a conference with an administrator and pre-approval.

TELEPHONE CALLS

The telephone is not to be used by students unless under the supervision of their teacher. Phone calls received for the students will not be transferred to the classrooms during the school day. In the event of an emergency, messages will be received at the office and delivered to students.

Teaching time in the classroom at White Oak is very valuable. For that reason we discourage any phone calls to our teachers during the school day. We will be happy to put calls through to teachers' voice mailboxes.

TELEPHONE MESSAGES USED FOR EMERGENCIES & IMPORTANT INFORMATION

It is essential that the school has a current address and number for each child. The school system maintains a database of telephone numbers of parents so that we can contact parents in the case of an emergency or with important information. In the case of an emergency throughout the district, the cancellation or delay of school due to weather conditions, the school system will send a message to several telephone numbers of the parent of each child. These numbers may include home, work and cell phone numbers of one or both parents.

In the case of important information that is not an emergency, the school system or White Oak administration will send a telephone message. These messages may include information regarding parent progress reports, PTA meetings, field trips, or school events.

THE "TEN DAY" RULE

- 1. The principal (or his/her designee) shall notify the parent, guardian, or custodian of the child that unexcused absences have occurred.
- 2. After not more than six (6) unexcused absences, the parent shall be notified by the principal and/or designee that he/she may be violating the Compulsory Attendance Law and the consequences of the violation.
- 3. After the parent, guardian or custodian has been notified of possible violation of the Compulsory Attendance Law, school personnel may conference with the parent, guardian or custodian to determine the reason for the absences. If necessary, alternatives to the student's education program should be considered. A written report of this investigation shall be given to the principal.
- 4. When the student has accumulated ten (10) unexcused absences, the teacher shall notify the principal and drop the student from membership, but not from enrollment.
- 5. After being notified of the 10th unexcused absence, the principal and/or designee shall review the results of the investigation and may meet with the student and parent, guardian or custodian to determine if a "Good Faith" effort has been made to comply with this law.
- 6. If it is determined that the parent, guardian or custodian has not made an effort to comply with this law, a referral may be made to the Chowan County Judicial Attendance Council.

TOWN MEETINGS

White Oak School recognizes and rewards student achievements during monthly Town Meetings. At our monthly Town Meetings, children are recognized for good behavior and receive Cubbie of the Month and Bus Rider of the Month awards. Parents are welcome to attend our monthly Town Meetings.

PROJECT TRACK

With funding through a Fit Community Grant from the North Carolina Health and Wellness Trust Fund, White Oak School is committed to helping students be healthy through (1) routine physical activity and (2) healthy food choices.

White Oak School K-2 students will walk the track a minimum of fifteen minutes per day at least three days per week. Teachers will TRACK the number of laps each class walks and incentives will be awarded during town meetings. Each class will set their own goal for laps walked.

Pre-K students will walk the TRACK as a class once all of the pre-k students are developmentally ready.

VOLUNTEERS

Volunteers are welcome in the Edenton-Chowan Schools if their presence is in the best interest of the school. At White Oak School, volunteers may volunteer in areas that have been approved by the principal or principal's designee. Parents/Relatives may volunteer in their child's classroom on special occasions but not on a regular basis. More information is available at the school regarding use of volunteers, along with the volunteer application.

WEATHER

In the event of inclement or severe weather school may be delayed or canceled. School personnel remain in continuous contact with the Chowan County Emergency Operation Center to monitor weather conditions. The local media is notified of any school cancellation, early dismissal, or delay and given information of alternate schedules. Parents should be notified of school delays or closings by an automated phone call, initiated by the school system.

The following radio stations will be notified of our school cancellations or delays: WZBO 1260 AM, WGAI 56 AM, WKJX KISS 97 FM, WRVS 89.9 FM, WRSF DIXIE 105.7 FM, and WFMZ PRAISE 105 FM. The following TV stations will be notified of our school cancellations or delays: WITN-TV 7, WNCT-TV 9, WTKR-TV 3, WVEC-TV 13 and WAVY-TV 10. You can also go to http://ecps.schoolfusion.us/ for information regarding cancellations or delays. If the local media are not announcing information concerning Edenton-Chowan Schools, then the schools operate on a normal schedule.
